What I like about being an adult performer is that I get to be me. I get to be a sexual human being and not feel bad about it. I can talk about sex all I want and explore all my desires in a safe way. What I don't like is having to defend my reasons and to conform myself to other peoples expectations. I stay true to my beliefs and not get be other's peoples opinions.

I COULD DO THIS FOR HOURS

THE LATE SHIFT

Working

After high school, I went to college and got my degree in nursing. It was a lot of work, but it paid off and I did well. I didn't have a lot of time for men then, and my sexual appetite reduced. I still love sex, but now I go for quality, not quantity. After college, I worked as a nurse in a hospital for a while before landing my present job at a medical clinic. This is where I met Lee.. He's a doctor, about 38, over 6 feet tall, dark hair, and very handsome. He's everything a woman could want, smart, funny, and a real hunk.

Anyway, we both work the late shift, from five to ten, when the clinic closes. Past nine o'clock, the place usually gets pretty dead. As a result, there aren't too many people working past eight. About a week ago, we were alone at closing time. The other doctor left early, and the senior nurse asked if I would help Lee. Of course I accepted. Who wouldn't want to be alone with a handsome doctor. Sure enough, after we had locked the doors and shut the place down, Lee started making passes and flirting. I responded enthusiastically. He wrapped his arms around me and kissed me so passionately, my knees almost went out.

Within minutes, we were naked on an examination ta-

ble doing a 69, with me on top. His cock was just like the rest of him, tall, strong and handsome. I hungrily sucked on it as he licked my clit. In about five minutes, I felt myself about to come and started to squirm my ass around and moan. He knew it and really went to work on me. I came really hard, almost screaming while I still pumped on him. When I finished my climax, I moved off of him and continued to work on his cock. He laid back and moaned as my lips move up and down his hard shaft. It only took a couple more minutes before he told me he was about to shoot, and did just that. His come tasted so sweet, I had to swallow every drop. He came so much, I didn't think I could take it all, but I did.

He then pulled me up to him and rolled me onto my back. He then started to kiss me all over, paying extra attention to my nipples. Within a few minutes, I was excited again and he was hard. He slipped his dick into my wet crotch and started to slowly fuck me. His strokes were slow and smooth. With the passing moments, he moved faster and faster until he was pumping me like a wild animal. I wrapped my legs around his waist, and his manhood penetrated me even deeper. Again I was about to

come. He too, was about to come. Our moans mixed together, echoing through the clinic as I felt his hot jism shoot inside me as I released my own climax.

It was almost a week later before we could chance anything again. The other doctor told Lee he would have to lock up the next night. Getting the other nurse out early was easy enough, since she likes to leave early anyway. So we planned to have another encounter the next night. I wanted to be well rested for a long night tomorrow. The next day I got ready for work and put on my lingerie. It was a matching set of white lace bra, panties, garter belt and sheer white stockings. Lee was there, and it was hard to work so close with him and not erotically touch him. Finally, ten o'clock came around. When everybody had left, I slipped into the back room, and traded my sneakers for four inch white high heels. I looked like I was about to step into a porno movie about a horny hospital. But I didn't care, I was horny, and felt very sexy.

Well, I went back into the bowels of the clinic and met Lee there. He had shut off most of the lights, and locked the doors. When I walked in, his eyes almost popped out of his head. I stood in the doorway, giving him a very sexy pose, and asked him if he liked what he saw. He eyed me up and down for a moment, then told me yes. I told him that tonight was his night, and I was his to do what he wanted. He told me to come over and sit down on a stool. We use them in the examination rooms for the doctors or family to sit on. I did as he asked, crossing one leg over the other, showing the tops of my stocking from under the hem of the uniform.

Before I knew it, I was getting hot between my legs, just waiting for what he was going to do next. After several minutes, he led me over to a recovery bed. He then unzipped my uniform, and let it slide down my body. I wanted to throw my arms around him and screw him on the spot. But I stood at attention as he walked around me looking over my lingerie covered body. He then ordered me to kneel in the center of the bed. I did as he said. He then made me spread my knees apart, but crossed my legs at the ankles. I was slightly uncomfortable, but plenty open and available for whatever he wanted to do. I found myself getting more and more excited. I knew that sooner or later, he would have his pleasure on me and fuck my brains out. The anticipation of when it would happen just made me more excited. He was getting really turned now, for the lump in his pants was growing even bigger.

He then came over to me and slowly caressed my body all over. Then, with a flick of his fingers, he unhitched the hook on the front of my bra and slowly pulled it behind me. My nipples were standing at attention. He played with my tits for some time, holding, caressing, squeezing and pinching them. He took me over to an examination table, and made me lay on my back. He slowly reached up and pulled my soaked panties down my legs. Lee then pulled the metal leg stirrups we use for examining maternity patients out from the table. He placed my feet into them, my heels through the openings.

The end result was my body was naked except for garter belt, stockings, heels and my nurses hat. My body on the table, my legs were up in the air and spread apart, and my pussy was wide open. He put on a surgical gown and mask, and a pair of rubber gloves. At first, I thought he was going to operate on me or something. But then I realized, I was about to get the most erotic examination of my life. He started with my wet pussy. He inserted a finger and held it there, while slowly playing with my pubic hair. He played it straight, getting me really hot in the process.

After my 'temperature' was taken, he next proceeded to give me a breast exam, listen to my heart beat, then my pussy, which he said was calling for relief. Then finally he

decided to probe me. First, he shoved one then two fingers up into my pussy, moving them around and fucking me with them. He then greased up a finger and shoved it up my ass. I felt so wild, especially when he then played with my clit at the same time. I came within a minute, screaming like I was dying. My muffled scream seemed to please him, and when I had finished, he pulled off the gloves.

Again he probed my clit with his fingers, to find the right

spot he said. He then moved down between my legs, pulled his mask down and dove in to eat out my pussy. He started out fast, getting me going. His tongue flicked over my clit and plunged deep into me. He sucked on my clit, and lapped up my juices. Then, just when I was about to come again, he slowed down, knowing just how far to push me until I couldn't hold back. After a minute, he sped up again, getting me back to a climax level and holding me there. Again and again he did this. I thought I was going to die. I moaned and groaned, and the sweat poured from my body. But he just kept doing it. At last, he took pity on me, attacked my swollen clit and brought me off. After having it deprived for so long, I

light onto my naked body. I couldn't see a thing outside the shaft of light, while the light didn't leave a single area of me uncovered.

I couldn't see him, but I knew he was standing there, watching me squirm. It was driving me nuts, for I knew that sooner or later, he would plunge his hard shaft deep into my wanting cunt. I wanted him like I never wanted anyone before. My moans and groans pleaded with him, and my squirming body called out to him. But he still didn't show himself. Just when I couldn't stand it anymore, he appeared in the light, stripped naked, with his hard manhood standing before him. I looked it was bigger than the

other times, and it seemed to be pulsating with power. He said not a word, but climbed on the bed, positioned himself over me, and rammed his cock deep into my pussy. I gasped as he slammed it in, then moaned with each hard, fast, deep stroke he plunged into me. He worked like a machine, each stroke was just as hard and deep as the last, with a perfect sexual rhythm.

He pumped like crazy, slamming his hips against mine. I built to a climax, hoping he would explode at the same time. I came hard, moaning loudly, and my whole body tensing up with the thrill of my orgasm. Every part of me tingled, from my hands to my feet, especially my well stuffed cunt. It was even better than before. Lee didn't miss a beat. He just continued to ram into me, his hard shaft filling me with each stroke. He continued for a few more minute before I knew he was about to shoot. He made a soft moan, closed his eyes, and gave one final thrust into me, forcing himself in as deep as he could. His hot come shot into me, filling me up with his sweet jism. He pumped in gallons, and just kept coming and coming.

At last, his balls were drained and he slid out of me. He left the shaft of light on me for a few minutes while he recovered. He asked me if I enjoyed his

fantasy as much as he did. I truly did, and told him so. To show how much, I pushed him down on the bed and started to suck him off. He was hard instantly, and within five minutes, he was shooting another load of jism down my throat. I was allowed to dress again. We talked for a few minutes, and I told him how exciting the night had been.

The next day, Lee and I met before work to talk about the prior night. We talked for about an hour. I told him how much I enjoyed the night before, and that I was curious to explore more about fantasy sex.

exploded into the most intense orgasm I ever had in my life. I kept coming and coming, while Lee just kept lapping me up.

When I was finally done, and I thought I could take no more, he stopped and let the head of the table down. I laid there for a few minutes, breathing very heavy. He let me rest before we moved on to the final act of his fantasy. Lee helped me from the table and led me back to the recovery bed. There, I laid flat on my back as he went to work. He turned off all the lights in the office. He then turned on the examination light that was hovering over me. It cast a single eerie beam of

I love making adult videos because I want to visually share my body and sex with you and all my fans. Most people would think I'd say my ass is my best feature, or my full, firm, natural boobies. But this may sound a little weird, but I think my best physical feature is my skin. My whole body is smooth and pimple free. That means I don't have to shy away from the camera to hide bad skin, but above all, many partners have told me they love touching the smooth skin all over my fine body!

DOES THIS MEAN YOU LOVE ME?

ON THIN ICE

“Hey—Bets. What’re you doing today? Got plans? Wanna do something?”

The voice was unmistakably that of Lisa, whom I’d befriended just a few weeks earlier when we’d met at the bookstore. I turned to see her charging toward me, grinning and waving. I was at the specialty coffee store at the mall, trying to decide which blend to treat myself to this week, but I had no serious plans for the rest of the day. . .just a few piddly errands that could easily wait a day. Lisa was fun. An afternoon spent in her company would be worth postponing the errands for.

We agreed to have lunch at a restaurant in the mall and then go to the new municipal ice skating rink. It had only opened the week before, and I hadn’t had occasion to visit it yet, but with temperatures hovering in the 40s, it seemed perfect ice skating weather.

“So. . .when’s the last time you skated?” I asked over my Cajun-style chicken.

Lisa’s eyes sparkled as she answered, “Well. . .never, actually, but it’s never too late to learn.”

At 27, I was concerned about relearning—I hadn’t skated in over 10 years—and here this woman was

Was Lisa really that clumsy on ice. . . or was her falling against Bettina a hint?

brave (foolish?) enough to go out on the ice for the first time? “Oh. . . well, are you sure you want to go skating?”

“Absolutely!” She nodded her head emphatically. “I used to roller skate when I was little. I’ll be fine.”

And in fact, after a few false starts and a couple of spills, Lisa took to the ice like the proverbial duck to water, skating around with a minimum of balance problems. . .till she deemed herself safe to go around with. It was when we started skating together that she grew clumsy again. Or so it seemed.

At first it was only natural to accept that a novice skater would lose her balance and start to fall. But after a while, I began to think that her falls seemed awfully contrived. She always managed to fall right against me. . .and never hard enough to fall down and get hurt. No, her falls always seemed to simply bring her body in contact with mine.

Now, it’s hard to get much in the way of thrills through a heavy jacket and various layers below that, but that’s just what I wondered if she might be doing. I couldn’t quiet my suspicions as she continued her artful acrobatics. Was Lisa bi? Was she interested in me?

I hadn’t considered Lisa as a lover before, but now that I thought about it, I certainly was interested in her. The cute blonde, well-rounded but not what you’d call fat, had cushy boobs, a playful demeanor, and a spirited personality. Her derriere jutted temptingly outward, her thighs were meaty, and I could only guess at what heaven lay between her legs. Was she falling against me on purpose? I certainly hoped so! Was her intent to garner thrills or to give me a hint? If it was a hint, I’d certainly take it!

Now each time she fell against me, I grabbed at her to steady her. . .and several times I let my hand linger on her arm or brush her boobs “accidentally” as she fell toward me. A warm, knowing smile crept across Lisa’s face. More and more, I was sure her actions were deliberate. And when she invited me back to her house for some hot chocolate after an hour and a half of

strenuous skating, I was sure the offer was for more than refreshments.

Sure enough, Lisa grew uncommonly fidgety and preoccupied at her house, till I asked her, point-blank, “What’s on your mind?”

“I was hoping you knew,” she said warily.

“I think I do,” I replied with equal caution.

We stared at each other for a moment, neither saying a word. “You—you want to go inside?” Lisa finally asked, with a timidity in her voice.

“Let’s go,” I answered decisively, getting up and leaving my cocoa behind. “That’ll be a much better way to warm up than hot chocolate.” In fact, the room was quite warm, and I had shaken the chill already, but I was sure things were about to get much hotter.

The first kiss happened before we even had our clothes off. As we stood at the side of the bed, Lisa’s lips grazed my chin, then my cheek, then my ear. She exhaled softly into my ear and let her tongue sneak out to do a little probing. Her hands came up to grip my arms tenderly yet firmly, and she drew me to her as she trailed her lips across the planes of my face till she had reached my mouth.

Our lips didn’t meet in perfect alignment. Instead, Lisa held her head tilted a bit sideways, so that our lips blended off-kilter, the impression of her lips connecting with mine deliberately askew. Then I felt her lips part, and her tongue peeked out to

make tentative contact with my lips. I opened my lips just enough, and Lisa’s tongue slid easily within the confines of my mouth.

For a number of minutes—I can’t say exactly; I certainly wasn’t looking at my watch!—our tongues thrust and parried in the traditional mating dance, squirming around each other and playing tag in my mouth. Then Lisa broke breathlessly away from me to urge me, “Let’s get undressed!”

An eminently sensible suggestion, and one I was glad to follow quickly. I unbuttoned, unzipped, and un-snapped, then shrugged out of my clothing and removed my underwear, while Lisa fumblingly got out of her own clothes. I tossed my clothes carelessly onto the dresser nearby; Lisa dumped hers unceremoniously on the floor. Then we tumbled to the bed together, meeting for a kiss as we fell.

This time Lisa’s lips traveled swiftly downward. As she kissed her way from my mouth to my chin to my throat to my breastbone, she crooned her delight. I hummed my own pleasure as I arched my body up hungrily toward her. I could feel the juices of my excitation beginning to well in my awakening pussy. But right now it was my breasts that most wanted attention.

Lisa knew it and kissed her way to the left one, bestowing kisses around the circumference of my pliant mound and licking the stiff-skinned areola. I mewed with pleasure, and so did she, apparently as turned on by doing

to me as she was by having anything done to herself. The sound reminded me that so far this encounter had been all one-sided, and I rose up to try to kiss her and stroke her, but she pushed me firmly back down on the bed and said, “No, let me.”

Who was I to argue with such a charming—and insistent—benefactress? I returned to my back on the bed, and now Lisa’s hands slithered across the landscape of my body, turning ordinary areas into erogenous zones. Feverishly she stroked my sides, my hips, the flat plane of my belly. She carefully avoided my pussy and my boobs, yet she set off dancing flames in exactly those places as her touch struck sparks. Those sparks smoldered in my ignited body. I burned with fever that ate me alive and yet made me more alive than ever. Arching upward, I silently begged her to touch me on my most needful parts.

An aura of pure want surrounded me as Lisa continued to ignore my begging body and toy with my tender skin. One finger stroked my earlobe; her other hand circled my navel lightly. Rivulets of nectar ran freely down, drenching my thighs as they dribbled across the tension-tautened expanse.

And then. . .at last. . .one hand drifted ever so lightly to my breast.

I jumped as if I’d contacted a live wire when Lisa’s fingers idly stroked my nipple in the most casual contact. Her other hand simultaneously moved in on my pussy, and her two hands

played me like a fine piano, one in the bass register and the other playing the treble. Her fingers on my pussy tripped lightly up and down my slit, rippling across my clit and producing quivers of excitement in my whole womanly area. I juiced torrents.

“Ahhh,” Lisa exhaled when she saw my body undulating in tune to her rhythms. “Yes, yes, yes, yessss,” she encouraged me, strumming her hand faster across my pussy, which had never been as keyed up, as on edge as it was now. She had barely begun, and yet I was nearly on the edge of a gigantic climax.

Her fingerwork continued, and now she placed her thumb directly on my clit and began to move it as rapidly as if it were a mini-vibrator. I shivered in the grip of some powerful emotions and of the strongest need I had ever felt. My body surged toward the climax that would be the crescendo of this, the first movement of a symphony that was surely far from finished.

To add to the incentive, she thrust three fingers of her other hand into the clenching tunnel of my pussy, splaying them as wide as they would spread. Then she began driving them in and out. Under the insistent demands of those three fingers, plus the thumb of her other hand on my clit, I would have been powerless to resist my oncoming climax even had I wanted to. . .which I most assuredly didn’t.

The edges of my world went red and black and continued that way

even as my eyes closed. My body writhed and surged up into the air, my middle bowing upward and my ass rising off the bed. I screeched out my ecstasy and held the pose for longer than I would have thought possible. Then, exhausted but still coming, I sank back to the bed.

I was still feeling aftershocks of climax as I settled down onto the bed, a quivering mass of exposed nerve endings. Lisa sprang into position between my spread thighs and began licking up the inner sides of my legs. Her tongue neared my vee but never quite reached my slit each time, raising the fever that had only just begun to recede.

“Oh—oh, Lisa—oh—oh, honey—it’s your turn—ohh!” I cried out in protest, wanting to treat her as well as she had treated me. But Lisa was adamant that I lie back and let her make me feel good. “You already have!” I gasped as her tongue reached out and flicked at my engorged nubbin for the first time.

“Again. Feel good again,” she said tersely before returning to darting her tongue across my swollen grape. Then she couldn’t say anything else because her mouth was too busy devouring my muff, her teeth gently chomping on my labes, nibbling at my inner labes, parting to let her exhale warm breath deliciously against my quivering slit.

And then that tongue was sliding so tauntingly across the bump of my pointy clit, dragging its raspy protrusions over the most sensitive spot on

my body and spiralling me upward toward another massive pussyquake. Varying her attack, Lisa swirled her tongue around the tip of my clit instead of dragging back and forth across it, then returned to flicking her tongue very quickly up and down, almost flapping it, it moved so fast.

At the same time, she reached up and placed one spit-wet finger on one nipple, vibrating that finger just as insistently across my nipple as if it were my clit. Under the onslaught of both finger and tongue on both nipple and clit, my body surged suddenly toward a second rapid climax, and I felt my body shudder as it lapsed into an orgasm even more massive than the first.

I cried out my ecstasy in tones so shrill the neighbors must have heard, but I was past caring. Lisa never stopped licking me, and I went from climax number two right into climax number three in quick succession. Number four followed. By then I was exhausted, wrung out, limp as a dust bunny, and incapable of responding any further. “I quit!” I weakly protested.

This time Lisa listened. Withdrawing from me at last, she lay down on the bed, spread her legs, and said, “My turn.”

I barely had the strength to get up on all fours and begin to give her the treatment she so richly was due. I doubted I could give her one-tenth as fine a time as she had given me, but if I could manage, I surely meant to try.

She certainly deserved it.

This is what I do. I'm a sexual being. Acting is so fun. I love it but I can't say I'd rather go on a regular movie set and just shoot. I need to have dick and have pussy and have sex. There's just something about sucking a guy. I feel so in control and that's hot for me. I'm controlling his most private and vulnerable of places and I have the power to hurt him or please him. Obviously I choose to please him and work my mouth and tongue in ways that will do that. Of course, a tongue piercing helps a lot. Most guys love that feeling on their dick.
